

Wolf File # _____ - _____

REQUESTING COMPANY:

LEGAL LOCATION OF PROJECT:

REQUESTING COMPANY FILE REFERENCE:

TARGET START DATE OF PROJECT:

DURATION OF PROJECT:

ACCESS CROSSING:

Temporary/Permanent

PIPELINE CROSSING:

Pipe OD & Material

Product

Planned method of installation

CABLE CROSSING/PARALLEL:

Cable Type (Fiber Optic, Communications etc)

Cable Material

TRANSMISSION LINE CROSSING/PARALLEL:

Voltage

Buried or Overhead

AC or DC

If buried - method of installation

TEMPORARY WORKSPACE:

What will the workspace be used for?

Please complete this form and return to sender. This information is required **prior to initiating a crossing agreement**. Please ensure the form is completed accurately. Incomplete information will result in a delay in issuing the crossing agreement.

Grantee Project, Equipment and Weights Information Sheet

Wolf File # _____ - _____

Please include all equipment that will cross the Grantor's pipeline in the tables below.

TIRED VEHICLES				
Vehicle Description (Make, Model, Type)	Gross Vehicle Weight (kg)	Weight Per Axle (kg)	Axle Separation (m)	Wheel Separation (m)
		Front Axle: Second Axle: Third Axle: Fourth Axle: Fifth Axle: Sixth Axle:	Axle 1 to 2: Axle 2 to 3: Axle 3 to 4: Axle 4 to 5: Axle 5 to 6:	
		Front Axle: Second Axle: Third Axle: Fourth Axle: Fifth Axle: Sixth Axle:	Axle 1 to 2: Axle 2 to 3: Axle 3 to 4: Axle 4 to 5: Axle 5 to 6:	
		Front Axle: Second Axle: Third Axle: Fourth Axle: Fifth Axle: Sixth Axle:	Axle 1 to 2: Axle 2 to 3: Axle 3 to 4: Axle 4 to 5: Axle 5 to 6:	
		Front Axle: Second Axle: Third Axle: Fourth Axle: Fifth Axle: Sixth Axle:	Axle 1 to 2: Axle 2 to 3: Axle 3 to 4: Axle 4 to 5: Axle 5 to 6:	
		Front Axle: Second Axle: Third Axle: Fourth Axle: Fifth Axle: Sixth Axle:	Axle 1 to 2: Axle 2 to 3: Axle 3 to 4: Axle 4 to 5: Axle 5 to 6:	

Please include any drawings for clarification/ additional information below. Ensure each drawing is labeled with the vehicle make/ model for identification. Note: if axle weights are provided for an axle group, please indicate how many axles are in the group (i.e. tandem, tridem, etc.)

Please complete this form and return to sender. This information is required **prior to initiating a crossing agreement**. Please ensure the form is completed accurately. Incomplete information will result in a delay in issuing the crossing agreement.

Wolf File # _____ - _____

TRACKED VEHICLES				
Vehicle Description (Make, Model, & Type)	Gross Vehicle Weight (kg)	Length of Track on Ground (m)	Track Shoe Width (m)	Ground Pressure (kPa)

Please include any drawings for clarification/ additional information below. Ensure each drawing is labeled with the vehicle make/ model for identification.

Please complete this form and return to sender. This information is required **prior to initiating a crossing agreement**. Please ensure the form is completed accurately. Incomplete information will result in a delay in issuing the crossing agreement.
